

# CONSUMER'S TITLE COMPANY

Consumer's Title Company is a premier real estate settlement service provider in California since 2009. We utilize the highest level of technology, along with the most talented and ethical staff, to develop partnerships with our customers and communities. We work toward our continued goal of growth, both locally and statewide.

Consumer's Title Company is an agent for three of the largest national and domestic underwriters. We have greater flexibility in underwriting policies because we can select an underwriter based on the needs of our clients.

Consumer's Title Company is licensed in all 58 counties in California. Through its large network of title insurance professionals, Consumers Title Company can facilitate transactions in many other states in the country.

We are employee-owned, so we have a vested interest in servicing our clients and the consumer. Our founder has handpicked managers, escrow, title, and sales personnel to create a team of service and solution-oriented individuals. Our Executive Team at Consumers Title Company has a combined work experience of nearly 250 years serving the title insurance and real estate industries.

Consumers Title Company offers local underwriting and local knowledge, which provides our clients with a higher percentage of closing each of their transactions. All our title and escrow staff work and live in California.

We are Passionate about what we do. Consumer's Title Company delivers superior service for you and your client, extended coverage for your Buyer or Seller at the most competitive title and escrow rate within the industry.
